UK and Ireland Implementation Science Research Conference 13 and 14 July 2023 | University of Limerick, Ireland

Sustaining health and public services in an uncertain future:
what role for implementation science?

Thursday 13 July - Morning

09:15 - 09:45

Welcome and opening remarks

Professor Kerstin Mey, President of University of Limerick
Dr Brian Mittman and Professor Alice Coffey

09:45 - 10:45

Plenary lecture 1: *The role of health systems, health organisations and health professionals in creating fair, sustainable, and healthy futures*

Dr David Pencheon, Honorary Professor, Health and Sustainable Development,
University of Exeter, UK

Chair: Professor John Øvretveit, The Karolinska Institute

Discussant: Dr Ioannis Bakolis, King's College London

10:45 - 11:15

Break

11:15 - 12:45

Parallel oral session 1

Delegates' 10 minute oral presentations **based on submitted abstracts (stream A-E)**
Presentations will be delivered either face to face or online

12:45 - 14:00

Lunch

Thursday 13 July - Afternoon

14:00 - 15:30

Parallel oral session 2

Delegates' oral presentations based on submitted abstracts (stream F-J)
Presentations will be delivered either face to face or online

15:30 - 16:00

Break

16:00 - 17:00

Plenary lecture 2:

Reflections on ten years of implementation outcomes research

Professor Enola Proctor, Professor of Social Work Research, Washington
University, USA

Chair: Dr Brian Mittman, Kaiser Permanente

Discussant: Dr Julie Williams, King's College London

17:00 - 18:00

Panel session: *Learning across contexts: How implementation science can benefit from interdisciplinary methods*

Chair: Professor Alison Metz, The University of North Carolina-Chapel Hill

Discussant: Dr Arlene McCurtin, The University of Limerick

18:00 - 20:00

Drinks reception and poster session

sponsored by

Friday 14 July – Morning

09:00 – 09:50 **Plenary lecture 3: *The Urban Ecology – Research into Action***
Dr Shaun Danquah, [Centric Founder](#), London, UK
Mr Muhammed Rauf, Director of Business Development, Centric

Chair: Professor Alice Coffey, The University of Limerick
Discussant: Professor Rahel Naef, University Hospital Zürich

09:50 – 10:15 **Break**

10:15 – 11:40 **Rapid fire oral presentations (4 minute session)**
Delegates' 4 minute oral poster presentations **based on submitted abstracts**
Presentations will be delivered either face to face or online

11:40 – 12:00 **Break**

12:00 – 12:50 **Plenary lecture 4: *Sustaining community health interventions in the global south and diversifying implementation science***
Professor Malabika Sarkar, Professor of the Practice of Behavioural and Social Science, Brown School of Public Health, Brown University, USA

Chair: Dr Shalini Ahuja, King's College London
Discussant: Professor Claire Henderson, King's College London

12:50 – 14:00 **Lunch**

Friday 14 July – Afternoon

14:00 – 15:10 **Rapid fire oral presentations (4 minute session)**
Delegates' 4 minute oral poster presentations **based on submitted abstracts**
Presentations will be delivered either face to face or online

15:10 – 15:30 **Break**

Vote for best rapid oral poster presentations

15:30 – 17:00 **Meet the experts**

Join these informal 25-minute sessions with our Implementation Science Masterclass faculty and other experts in implementation science

15:30 – 16:00

Strategies for sustainability and scale up in implementation

Dr Byron Powell and Professor Audrey Tierney

Implementation support competencies and skills and how to build them

Professor Annette Boaz and Professor Allison Metz

Policy dissemination and implementation – criminal justice

Dr Erika Crable and Dr Sean Redmond

Deimplementation

Professor Andrea Patay and Dr Arlene McCurtin

16:00 – 16:30

Economic evaluation

Dr Zuleyha Cidav and Dr Ties Hooman

Evaluating implementation

Professor Enola Proctor and Professor Alice Coffey

Health system activities involving patient advocacy and industry stakeholders

Dr Elaine Toomey and Dr Brian Mittman

Equitable implementation competences standards

Professor John Øvretveit

16:30 – 17:00

Hybrid designs

Professor Geoff Curran and Professor Jane Sandall

Implementing in practice in Ireland and Northern Ireland and UK

Melissa Stone, Andrew Bray and Jane Lewis

Implementation research logic models

Professor Justin Smith

Implement evidence-based practices and services

Professor Greg Aarons and Professor Tracy Finch

17:00 – 17:20

Awards and conference closure

Professor Norelee Kennedy, Vice President for Research, The University of Limerick
